Campus Interview Requirements and Network Access

- *The college must possess robust network bandwidth capabilities.*
- ***During Round 2 of the interview process, network connectivity will not be required after the initial 15 minutes, providing the college with the flexibility to toggle the network on and off as needed.***
- *It is essential that the campus firewall does not block access to our campus hiring website to ensure smooth operations during the recruitment process.*
- *Students are required to log in to their Gmail accounts before attending the interview, as this will streamline the process*
- *We have a standard Excel format for student details. Please send the student information in that format once the drive dates are confirmed*

Technical Assessment Process

The process consists of Technical rounds & a HR Discussion. Its a **2 DAYS** process

- *Day 1 - ROUND 1 : Data Structure & Algorithms - MCQ's*
 - *Day 1 - ROUND 2 : Implement the Math Formula in desired language*
 - *Day 2 - ROUND 3 : Learn and apply & Task evaluation*
- 

- Day 2 - ROUND 4 : HR Interview

Offer letter & agreement will be directly sent to the placement office of the colleges for signature of selected candidates.
